

DEALERS GUIDE

Lifetime Products, Inc., has applied innovation and cutting-edge technology in plastics and metals to create a family of affordable lifestyle products that feature superior strength and durability. The world's leading manufacturer of folding tables and chairs, Lifetime was founded in 1986 as the maker of portable basketball systems that revolutionized the industry with patented technology. With new offerings such as outdoor sheds and utility trailers Lifetime continues to develop innovative products that outfit your lifestyle.

Lifetime makes the things you need for the lifestyle you want. By innovating products in and around the home, Lifetime simplifies your everyday life and enables you to get the most out of your free time.

Lifetime... For The Way You Live.

www.lifetime.com

Our Facilities

Lifetime Products, Inc. is a privately held company headquartered in Clearfield, Utah, employing over 1,700 people. Our 2.6 million square-foot manufacturing facility in Utah is vertically integrated, producing virtually every metal and plastic component used in our products.

Lifetime's plastics facility is the largest single-point blow-molding facility in North America. In addition to producing coil for our own products, Lifetime's metal facility also sells slit coils, tubing, channel and stamped parts to other companies.

The company is globally diverse with manufacturing facilities in Xiamen, China, and distribution facilities in Columbus, Ohio and Kansas City, Missouri.

Our Products

Lifetime makes the practical products you need into the lifestyle products you'll love. Our products enable you to get the most out of your time and are made to help you work and play the way you want to.

With innovative designs and unique materials, we make everyday products better. Lifetime will continue to bring innovation home to you. Lifetime strives to make products that stand up to the wear and tear of your active lifestyle. You can trust Lifetime products because of the way we design, build and test them. Our products are easy to use, easy to maintain and easy to own. This all adds up to unmatched value on products you can count on, time after time.

So where can you find Lifetime products? Everywhere! Lifetime products are available in more than 45 countries. You will find our products in more and more stores every day. Whether you find yourself shopping in a membership warehouse, a discount store, a home improvement warehouse or a sporting goods store, Lifetime's products are readily available.

Our Innovations

- > In 1986, Lifetime introduced and patented the first adjustable basketball pole on the market
- > In 1992, Lifetime introduced its line of portable basketball systems
- > In 1992, Lifetime invented and patented the friction weld joint for basketball poles
- > In 1993, Lifetime invented a blow-molded base that is airtight and watertight
- > In 1995, Lifetime invented blow-molded polyethylene tabletops
- > In 1995, Lifetime invented a fully-assembled, folding picnic table
- > In 1996, Lifetime invented the Power Lift®, the first one-hand, pneumatic height adjustment mechanism
- > In 1998, Lifetime introduced blow-molded polyethylene folding banquet tables
- > In 2000, Lifetime introduced the first and only folding chair to meet BIFMA standards
- > In 2001, Lifetime introduced Mammoth® Basketball Equipment, its line of professional-quality home basketball systems for aggressive players.
- > In 2004, Lifetime introduced the Shatter Proof Backboard, the first virtually unbreakable backboard made with Makrolon® polycarbonate.
- > In 2004, Lifetime introduced a line of officially licensed NCAA® tables.
- > In 2005, Lifetime introduced it's multi-branded line of revolutionary outdoor storage sheds.
- > In 2005, Lifetime signs a license agreement with Reebok® to manufacture and market Reebok® and RBK® branded basketball systems
- > In 2006, Lifetime introduced an innovative new line of steel utility trailers.
- > In 2008, Lifetime created an ingenious line of yard carts and wheel barrows made from post consumer recycled materials.

**PLAY TIME
ALL THE TIME**

Play Systems for All Year Round

Unlike wood play sets currently on the market, Lifetime Play Systems will never warp, rot, crack or splinter. Never again is there a need to paint or stain your play set every year to keep it looking like the envy of the neighborhood. With minimal maintenance, Lifetime Play Systems are safe for kids of all ages, and with a 15 year warranty, Lifetime will be the only play set your family will ever need.
