

PRODUCT GUIDE

Lifetime Products, Inc., has applied innovation and cutting-edge technology in plastics and metals to create a family of affordable lifestyle products that feature superior strength and durability. The world's leading manufacturer of folding tables and chairs, Lifetime was founded in 1986 as the maker of portable basketball systems that revolutionized the industry with patented technology. With new offerings such as outdoor sheds and utility trailers Lifetime continues to develop innovative products that outfit your lifestyle.

Lifetime makes the things you need for the lifestyle you want. By innovating products in and around the home, Lifetime simplifies your everyday life and enables you to get the most out of your free time.

PLAY SYSTEMS FOR ALL YEAR ROUND

Unlike wood play sets currently on the market, Lifetime Play Systems will never warp, rot, crack or splinter. Never again is there a need to paint or stain your play set every year to keep it looking like the envy of the neighborhood. With minimal maintenance, Lifetime Play Systems are safe for kids of all ages. Lifetime will be the only play set your family will ever need.

USE IT. FOLD IT. STORE IT.

After the work is done, the Fold-Up Utility Trailer from Lifetime Products really begins to show its true colors. With a revolutionary folding design, the Lifetime Fold-Up Utility Trailer folds-in-half in under 90 seconds and moves easily, making it the work trailer anyone can use and store. Now you will never have to store your trailer outside, exposed to the elements. After you're finished with your hard day's work, fold the trailer up and put it in its place. The Fold-Up Utility Trailer folds to a manageable 29" wide, the perfect size for the back corner of the garage or in the backyard.

LIFESTYLE PRODUCTS YOU'LL LOVE • LIFETIME...FOR THE WAY YOU LIVE

OUR FACILITIES

Lifetime Products, Inc. is a privately held company headquartered in Clearfield, Utah, employing over 1,200 people. Our 2.6 million square-foot manufacturing facility in Utah is vertically integrated, producing virtually every metal and plastic component used in our products.

Lifetime's plastics facility is the largest single-point blow-molding facility in North America. In addition to producing coil for our own products, Lifetime's metal facility also sells slit coils, tubing, channel and stamped parts to other companies.

The company is globally diverse with manufacturing facilities in Xiamen, China, and distribution facilities in Columbus, Ohio and Kansas City, Missouri, and Mexico.

OUR PRODUCTS

Lifetime makes the practical products you need into the lifestyle products you'll love. Our products enable you to get the most out of your time and are made to help you work and play the way you want to.

With innovative designs and unique materials, we make everyday products better. Lifetime will continue to bring innovation home to you. Lifetime strives to make products that stand up to the wear and tear of your active lifestyle. You can trust Lifetime products because of the way we design, build and test them. Our products are easy to use, easy to maintain and easy to own. This all adds up to unmatched value on products you can count on, time after time.

So where can you find Lifetime products? Everywhere! Lifetime products are available in more than 45 countries. You will find our products in more and more stores every day. Whether you find yourself shopping in a membership warehouse, a discount store, a home improvement warehouse or a sporting goods store, Lifetime's products are readily available.
